

NewWorld CEO Interviewed by HLTV

DALLAS, Texas, October 8, 2010 – NewWorld announced today that its CEO, Mr. Angel Munoz, granted a rare interview to the popular website HLTV.org in which he reveals what he's been up to for the past couple of years, and discusses the CPL.

Munoz, sits in the interview chair talking about the origins of the CPL and answering tough questions, but the past is not something that he dwells upon, and eagerly shares some of his vision for the future.

The interview is located at <http://www.hltv.org/news/5443-angel-munoz-the-apex-was-2004&nc=1>
HLT.V.org is the leading CS 1.6 coverage site in the world, featuring news, demos, pictures, statistics, and on-site coverage.
